Osnabrück, December 3, 2002

13th International Symposium on Analytical Ultracentrifugation, 2nd Circular

Dear Sirs,

up to now several speakers have announced their oral contribution, for the next meeting at Osnabrück on March 6th and 7th 2003. Main lectures will be given by L. Börger, H. Cölfen, Chr. Ebel, St. Harding, and H. Rowe. Since there is a limited number of oral presentations, I ask everybody of you to register as soon as possible. The number of poster presentations is not limited as in all years before. We try to consider all intended contributions if they reach us before the 20th of January 2003.

Traditionally this symposium will be without any registration fees.

As we need to prepare the conference booklet of abstracts we ask all speakers and those who want to present a poster to send us an abstract of approximately one page not later than February the 7th, 2003 if it has not been done yet. If possible send me your abstract as an email attachment preferably as a Winword-document.

People who want to publish their contribution in the volume "Progress in Colloid and Polymer Science" are asked to bring their manuscript to the meeting so that a rapid publication is ensured. The templates and the instructions for authors are given as attachment to this 2nd circular and can be downloaded from <http://link.springer.de/link/service/series/2882/instr.htm> and <http://www.springer.de/chem/authors/> (-> word template -> sv-cjour.zip). The special conference book can be ordered at the conference at a reduced price of 57,- € + 3,- € for postage and handling. If you are interested in this offer of the Springer-Verlag you must pay this amount in advance at the conference and the book will be sent to you by the publisher directly after publication.

...

For all people we want to describe shortly how you can get to Osnabrück:

- By plane: Book your flight to Münster/Osnabrück Airport
- from Münster/Osnabrück Airport take the bus X 150 to Osnabrück Hbf and get off at Adolf-Reichwein-Platz
 - from Adolf-Reichwein-Platz take the bus line 11R11, 13 or 21 and get off at Sedanplatz

- By train: Take the train to Osnabrück Hbf
- from Osnabrück Hbf take the bus line 92, 91, 81, 82 or 581 and get off at Neumarkt
 - from Neumarkt take the bus line 11R11, 13 or 21 and get off at Sedanplatz

By car:

From Hannover:

Autobahn A 30, direction Amsterdam - exit Osnabrück-Hellern

- at the traffic lights turn right (Kurt-Schumacher-Damm), direction Städtische Kliniken or Parkhotel
- at the traffic lights turn right (An der Blankenburg), direction Städtische Kliniken or Parkhotel
- at the end of this street turn right (Rheiner Landstraße), direction Städtische Kliniken or Parkhotel
- at the 4th traffic lights turn left (Mozartstraße), direction Parkhotel
- follow priority road Mozartstraße-Lieneschweg-Händelstraße-Gluckstraße
- at the end turn right (Sedanstraße)
- at the 2nd traffic lights turn right (Barbarastraße)

From Amsterdam, Münster Bremen

Autobahn 20, direction Hannover - exit Osnabrück Hellern

- at the traffic lights straight on (An der Blankenburg), direction Städtische Kliniken or Parkhotel
- at the end of this street turn right (Rheiner Landstraße), direction Städtische Kliniken or Parkhotel
- at the 4th traffic lights turn left (Mozartstraße), direction Parkhotel
- follow priority road Mozartstraße-Lieneschweg-Händelstraße-Gluckstraße
- at the end turn right (Sedanstraße)
- at the 2nd traffic lights turn right (Barbarastraße)

The third Circular with the preliminary program will be sent to you in the beginning of February 2003.

I'm looking forward to hearing from you and seeing you again in Osnabrück.

(M. D. Lechner)
